Special Education Teacher Caseload Planner · 2026–2027 School Year

This fillable PDF holds the three pages used most in the printed planner. Student numbers 01–30 match the Caseload Roster in the book.

How it works

1. Open this file in a PDF reader that supports fillable forms — Adobe Acrobat Reader, Apple Preview, or most web browsers.
2. Type a student's name once on the Caseload Roster. It fills in automatically on that student's Goal Tracker and Meeting Notes pages.
3. Save the file after each session. Keep a copy wherever your district stores student records.
4. Print any page when you need it on paper — every page is sized for US Letter.

Contents

Caseload Roster — students 01–30	**2–3**
IEP Goal Tracker — one page per student	**4–33**
